

The Therapeutic Recreation department will be sponsoring a Valentine's Day fundraiser for residents, family, staff and friends of Southview Acres. This year we will be doing a "secret valentine". For \$2.00 we will personally deliver a balloon, small treat and valentine to a person of your liking on Tuesday, February 14th. Here's the catch: the sender will remain anonymous BUT if the receiver would like to know who sent the Valentine they can spend \$1.00 to find out. Come join us for the fun! Please contact Jennifer Heesch, Therapeutic Recreation Director, to make arrangements.

651-554-9521

Please keep in mind that all proceeds from this fundraiser go directly to the resident fund.

Thank you for your support!
